# briefly describe the nature of the business on a separate schedule and attach to this statement.

The Assessor may provide forms to allocate by code area the property described in this statement. All property (wells, pump houses, pumping plants, reservoirs, tanks, pipe lines, services, etc.) located on land owned by the assessee must be identified by the Assessor's Parcel Number of the land upon which located. If additional space is needed, attach a schedule that lists the parcel numbers.

Each system which is not connected to any other system by pipe lines or canals is considered to be a unit for appraisal purposes.

If costs are available, complete the schedule of Financial Data on the front of the property statement, along with the statistical data on the reverse side.

If cost data is not available and it is not feasible to develop cost, a description of the physical property, with date of construction or installation and original costs, should be reported in the schedule headed, Statistical Data as of December 31, 20 \_\_\_\_\_\_.
