OFFICIAL REQUEST

A report on BOE-576-D is required of you by section 441(a) of the Revenue and Taxation Code (Code). The statement must be completed according to the instructions and filed with the Assessor on or before April 1. Failure to file it on time will compel the Assessor to estimate the value of your property from other information in the assessor's possession and add a penalty of 10 percent as required by Code section 463.

This statement is not a public document. The information contained herein will be held secret by the Assessor (Code section 451); it can be disclosed only to the district attorney, grand jury, and other agencies specified in Code section 408. Attached schedules are considered to be part of the statement. In all instances, you must return the original BOE-576-D.

GENERAL INSTRUCTIONS

ADDRESS BLOCK: Make necessary changes to assessee, mailing address, and enter all information that is applicable to your particular vessel.

1. PURCHASE INFORMATION: Enter the total original cost of the vessel as purchased. Include sales tax and all other relevant costs. If the vessel exceeds 27 feet in length a copy of your purchase agreement or invoice is required to be submitted with this statement.

9. CURRENT VESSEL CONDITION: Using the information below, check the line that reflects the condition of your vessel:

- NEW/BRISTOL: is a vessel that is new or is maintained in mint or a fashion usually better than factory new loaded with extras. Turnkey, no commissioning necessary.
- ABOVE AVERAGE: Has had above average care and is equipped with extra electrical and electronic gear. A well-found vessel ready to go.
- AVERAGE: Clean, ready for sale. Attractive inside and out, normally equipped. Mechanically sound, mid-time on mechanicals, and little or no additional work.
- GOOD: Mechanically sound, requiring some interior and exterior cosmetic work. Some mechanicals on the down side of life expectancy.
- FAIR: Cosmetics still show noticeable areas of wear and fading after cleanup. Mechanically sound but definitely on the down side of life. May require substantial yard work.
- POOR: Vessel needs significant amount of structural yard repair. Most mechanicals, electronics, need overhaul or replacement. Cosmetics almost
 not restorable. Cost of repairs and restoration may exceed market value of the vessel.

10. INTENDED USE - COMMERCIAL FISHING, OCEANOGRAPHIC RESEARCH OR COMMERCIAL PASSENGER FISHING: A vessel may be eligible for a special 4 percent assessment under the provisions of Code section 227 if the boat is engaged exclusively:

- In the taking and possession of fish or other living resource of the sea for commercial purposes.
- In instruction or research studies as an oceanographic research vessel.
- In carrying or transporting seven (7) or more people for commercial passenger fishing purposes and holds a current certificate of inspection issued by the United States Coast Guard.

If, in your opinion, the vessel meets the above criteria, obtain the BOE-576-E, Affidavit for 4 Percent Assessment of Certain Vessels, from the Assessor and file on or before February 15.

10. INTENDED USE - OTHER: If you file a Business Property Statement, or if this vessel is used in connection with any business, trade, or profession located within this County, enter the name and address of the business.

VESSEL EQUIPMENT LEASED, ADDED or RETIRED: If you lease equipment in connection with this vessel's operation, attach a schedule listing the name and address of the owner and description of the leased property cost if purchased, and annual rent. If you have added or retired equipment from date of acquisition of vessel to last day in December, last year, attach a schedule listing the description of equipment, the date added or retired, and the added or retired equipment's cost. Explain any major overhaul of the vessel, its engine, or other equipment.
